

Llista definitiva dels projectes eTwinning i el professorat amb dret a innovació

Per Resolució EDU/101/2021, de 21 de gener, per la qual s'estableixen els criteris i es dicten instruccions relatives al reconeixement i certificació de la innovació pedagògica per al professorat que participa en les accions del programa Erasmus+ (sectors escolar i persones adultes) i eTwinning, amb l'objectiu d'establir els criteris per al reconeixement de la innovació pedagògica en l'àmbit del programa Erasmus+ (sectors Escolar i de Persones Adultes) i eTwinning.

Tal com preveu l'annex 3 de la Resolució EDU/101/2021, de 21 de gener, la Direcció General de Currículum i Personalització, mitjançant el Servei de Llengües Estrangeres i d'Origen, gestor a Catalunya del programa eTwinning, publicarà periòdicament una resolució amb els projectes i els docents als quals es reconeix la innovació i els crèdits d'innovació que els corresponen.

Per tot això exposat,

Resolc:

Donar publicitat als projectes eTwinning i al professorat que ha obtingut un Segell de Qualitat Nacional eTwinning en el període 2007-2020 i que, en conseqüència, té dret al reconeixement de la innovació pedagògica, tal i com figura a l'annex 1.

Contra la llista definitiva de projectes educatius, docents i els crèdits obtinguts, les persones interessades poden interposar recurs d'alçada davant el superior jeràrquic de l'òrgan que dicta l'acte, en el termini d'un mes a comptar de l'endemà de la seva publicació, segons el que disposen l'article 76 de la Llei 26/2010, del 3 d'agost, de règim jurídic i de procediment de les administracions públiques de Catalunya, i els articles 121 i 122 de la Llei 39/2015, d'1 d'octubre, del procediment administratiu comú de les administracions públiques, o qualsevol altre recurs que considerin convenient per a la defensa dels seus interessos.

La directora general de Currículum i Personalització

Maite Aymerich i Boltà
